SPECIFICATIONS

Housing

The fixture housing is fabricated from a combination of cast, spun and extruded aluminum alloys.

Electrical Components

High performance LEDs utilize state-of-the-art technologies for improved thermal performance. Available with wide choice of color temperatures ranging from CCT(2700K – 5000K).

Finish

Thermoset polyester oven-baked powder coat, in any standard color. Custom colors are available to your specification. Marine grade finish available upon request.

Mounting

Mounting / wireway hole in center of backplate. Supplied with stainless steel hardware to mount to a 4" J-box.

Shown below with standard wall mount arm and back plate. Custom mounting options available upon request.

Certificates & Warranty

- ETL Listed
- Suitable for Wet Locations
- 5-Year Warranty

**Custom sizing available upon request*
